

July 18, 2012

Dear Industry Professional:

Seldom does the opportunity come along to introduce a tool with such potential as our newest product release, “**The Directors Assistant Live™**”.

Connecting Browser Based Clients and Smart Phones to the existing power of “The Directors Assistant™” results in the most powerful, most versatile, user friendly, customizable product available in the industry.

Combine this product with new service on demand tools and users can experience technology at a new level in the industry.

Experience for yourself how “**The Directors Assistant Live™**” can improve efficiency, improve communication, and streamline your operations.

Contact us today at 800-240-1016 for a personalized evaluation and demonstration.

Sincerely,
Wes Johnson
President/CEO
